Re: Future of Ida Benderson Center

Dear Mayor Miner,

We invite you to come to listen to the Ida Benderson Center family in person to have a conversation about closing the center. Because the issue is urgent, we ask you to visit by Friday, September 16. We will be here every day next week in the morning through lunch at 12 noon. The best time is before lunch or during lunch.

Please schedule a meeting ^{with} us at your convenience by calling the Ida Benderson Center at 473-4434.
